-----------------	------------------

Weight [kg]	63
-------------	----

Water connections	Geka
-------------------	------

Option to connect 2 showers.

Option decoLINK | Art.-Nr. BO30682

The SW50L can be equipped with an optional radio control for automatic showering. The shower is automatically activated for 90 seconds by radio reed contacts when the door is closed. If the shower is left before the 90 seconds have elapsed, this triggers an acoustic alarm.

Automatic showering process in accordance with TRGS 519.
