

TRAILER C6000 KATS

HYGIENE ON SITE / DECON P

The deco mobil C 6000 – Type KatS (Civil Protection) is designed for autonomous operation and is equipped with two toilets and a multi-chamber system with a shower for decontamination. The trailer ideally complements a wide range of deployment concepts and provides everything needed for comprehensive on-site hygiene and decontamination within a very short time.

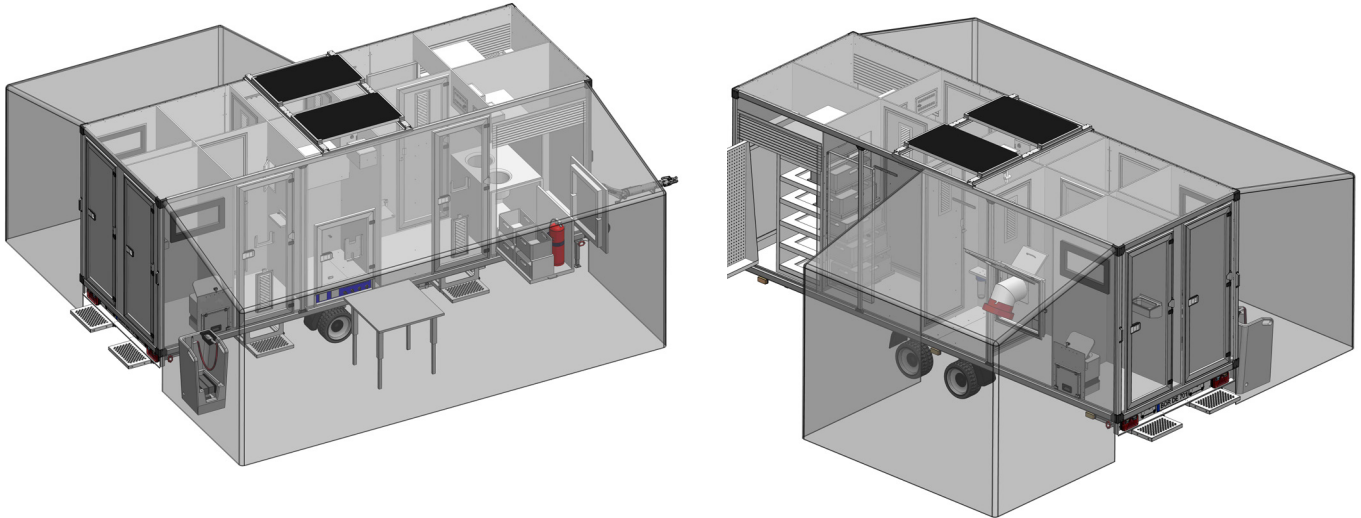

From a boot washing system, to a changing area with secure disposal of contaminated clothing, a shower and even spare clothing – everything is included.
